LA LOMA

GARNACHA

La Loma means The Hill in Spanish. The hills that are swept by the harsh “Cierzo” winds prevalent in the region, which make for healthy Garnacha grapes, dry and fungus free, concentrating the wine’s flavours and aromas that the poor hostile soils they are planted on provide.

100% Garnacha.

4 months in French oak barrels.

Deep cherry red colour.

Intense aromas of ripe cherries with hints of blueberry, raspberry, strawberry and subtle notes of peach and orange peel, integrating beautifully the vanilla aromas from the barrel ageing.

Round and opulent mouthfeel showcasing red fruits in perfect harmony with subtle oak character. Soft tannins, fresh and lively with a length and persistence seldom found in this cepage. A complex, elegant, attractive wine.

Suckling pig and lamb, game, cold meats, cheeses and vegetables.
